## BIO/ARTISTS INFO:

Jeff Chaz has played the Blues from Memphis to New Orleans. Mentored by Little Milton, Jeff's music style combines Delta Blues with a touch of Memphis Soul. "Chronicles" features Jeff's favorite tracks from his previous albums, which are all out of print at this time. The album contains all original songs written and produced by Jeff.

**"Jeff Chaz may well be the missing link between BB King, Albert King, Roy Buchanan and Frank Zappa"**

*- Paul Bradbeer (British Blues Critic and Journalist)*
